As per quality control norms and procedures, the 1st Quality Control Inspection was conducted on 02.12.2018 & 10.12.2018 in these works and proposed no recovery. The 1st QC report was intimated to the concerned EE, DEE & AE(MEO). Subsequently, as per the orders, 2nd QC inspection team has attended the above i.e. I.D work on 20.05.2020 and conducted inspection. The first QC Team has proposed no recovery against the work, but the 2nd QC Team Report has proposed for recovery of Rs.34.21 Lakhs of work. On close observation, it is observed that when 2nd QC Team inspected the work, the concerned EE, DEE & AE(MEO) have not brought the 1st QC report to the notice of 2nd QC Team at the time of inspection to facilitate them to understand the said report and its findings. Despite having information on hand, the EE, DEE & AE(MEO)have failed to bring to the notice of 2nd QC Team about the 1st QC Report. Thereby, unnecessary complications and legal issues have been arose and huge embarrassment was created in dealing with legal issues. The concerned EE, DEE & AE (MEO), specified below should have taken proper care at the time of visit of 2nd Inspection Team and failed to bring the connected records including QC reports to the concerned authorities, which has caused huge embarrassment to the Government :
